D[ea]r Sir

I make no doubt but you will think me long in transmitting you a Copy of my Aunt's Will – the reason is when I came to Town upon making a calculation I found I could live here and attend the Hospital for the same expense as I could live at Northampton I therefore resolved to come to Town again and between Lectures and Dissecting have had no time to Copy the Will nor have I time now to copy the probate to it – I have therefore only sent a Copy of the Will and shall be glad if you will inform me whether you [*slight tear here where seal opened*] would wish to have the Letters of Administration [*slight tear here*] – I have not had time to call upon Griffiths for the fine but will send you in a ~~Weeks~~ ~~Time~~ or fortnights time at farthest.

Sh[oul]d be oblig'd to you if you would inform me whether Waddington is at home or not.

Your very h[um]ble Serv[an]t
